2021 BENEFITS GUIDE

April 1, 2021—March 31, 2022

WELCOME Your benefits are an important part of your overall compensation. We are pleased to offer a comprehensive array of valuable benefits to protect your health, your family and your way of life. This guide answers some of the basic questions you may have about your benefits. Please read it carefully, along with any supplemental materials you receive.

Eligibility

You are eligible for benefits if you work 30 or more hours per week. You may also enroll your eligible family members under certain plans you choose for yourself. Eligible family members include:

- Your legally married spouse
- Your children who are your natural children, stepchildren, adopted children or children for whom you have legal custody (age restrictions may apply). Disabled children age 26 or older who meet certain criteria may continue on your health coverage.

When Coverage Begins

- **New Hires:** You must complete the enrollment process within 15 days of your date of hire. If you enroll on time, coverage is effective on the first of the month following 30 days of employment.

If you fail to enroll on time, you will NOT have benefits coverage (except for company-paid benefits).

- **Open Enrollment:** Changes made during Open Enrollment are effective April 1, 2021—March 31, 2022.

To enroll online, go to <http://lacasainc.ease.com>

Choose Carefully!

Due to IRS regulations, you cannot change your elections until the next annual Open Enrollment period, unless you have a qualified life event during the year. Following are examples of the most common qualified life events:

- Marriage or divorce
- Birth or adoption of a child
- Child reaching the maximum age limit
- Death of a spouse, RDP, or child
- You lose coverage under your spouse's/RDP's plan
- You gain access to state coverage under Medicaid or CHIP

Making Changes

To make changes to your benefit elections, you must contact Human Resources within 31 days of the qualified life event (including newborns).

Be prepared to show documentation of the event such as a marriage license, birth certificate or a divorce decree. If changes are not submitted on time, you must wait until the next Open Enrollment period to make your election changes.

Required Information—When you enroll, you will be required to enter a Social Security number (SSN) for all covered dependents. The Affordable Care Act (ACA), otherwise known as health care reform, requires the company to report this information to the IRS each year to show that you and your dependents have coverage. This information will be securely submitted to the IRS and will remain confidential.
